## Regional Investor Assistance Centres (COI)

They are partners of the Polish Information and Foreign Investment Agency (PAIIIZ) at the regional level. The Centres provide consultancy and information services for business entities considering investment projects in a particular area. COIs also provide dedicated service and investment guidance, including post-investment support within the voivodeship where the project is located. The network of COIs has been created in conjunction with the Marshals of Voivodeships who are statutorily responsible for economic promotion of the region.
