## CONFERENCE AGENDA

### **4<sup>th</sup> Polish Economic and Technology Forum in Switzerland** **Building a Secure Future: Swiss-Polish Innovations for Europe**

***Zurich, 27<sup>th</sup> May 2025***

As security takes center stage as the defining theme of Poland's EU Presidency in the first half of 2025, the Swiss-Polish Economic and Technology Forum will focus on fostering innovation and resilience in the economic, digital, energy, and financial sectors. The forum will serve as a dynamic platform to enhance business collaborations, enabling companies from Poland and Switzerland to jointly develop cutting-edge solutions that address Europe's most pressing challenges. Together, we will promote sustainable growth, strengthen international partnerships, and chart a secure and prosperous future for both countries and for Europe.

## **We Did It In Poland – How Polish Innovation Is Quietly Changing the World**

Poland is not just a place of rich history—it's a country brimming with bold ideas, creative talent, and world-class innovations. In this session, we'll uncover some of the most surprising, scalable, and global-ready breakthroughs made in Poland, from deep tech to sustainability and AI. Discover how a new generation of Polish entrepreneurs, engineers, and visionaries are turning bold dreams into real impact—and why now is the perfect time to look to Poland for fresh partnerships and future solutions.

14:20 – 15:05 Panel session

Partner: Google Switzerland

### **Securing the Digital Self: The Evolution of Identity Verification**

Your digital identity, encompassing logins and credentials, is constantly in use, yet often shared unknowingly. Secure online interactions hinge on its integrity. The surge in cyber threats demands robust digital ID solutions, ensuring privacy and security. A strong, universally accessible digital identity is vital. It combats fraud, fosters trust, and enables inclusive access to essential services. Streamlining online interactions, it's a cornerstone of the modern digital landscape.

**Moderator: Lucyna Janas**, Head of Google Wallet partnerships, EMEA Google, Switzerland
