

Polish Information and Foreign Investment Agency

The Polish Information and Foreign Investment Agency (PAIIZ) has been servicing investors since 1992. Its mission is to create a positive image of Poland in the world and to increase the inflow of foreign direct investments by encouraging international companies to invest in Poland. The PAIIZ is a valuable partner for foreign entrepreneurs entering the Polish market. The Agency guides investors through all the essential administrative and legal procedures that involve a project. It also provides rapid access to complex information relating to legal and business matters regarding investments. Moreover, it helps in finding the appropriate partners and suppliers together with new locations.

The Polish Information and Foreign Investment Agency provides professional advisory services for new investors in Poland, including:

- assistance and support in finding the best location for investment,
- finding the potential cooperation partners and suppliers,
- support concerning the investment incentives,
- assistance for the entrepreneurs during the whole investment process.

Polish Information and Foreign Investment Agency is the best source of knowledge, not only for foreign entrepreneurs but also for domestic companies.

An investor can find all the necessary information concerning key facts about Poland, the Polish economy, legal regulations in Poland and all detailed information which could be useful for any company wanting to set up a business in Poland on the website www.paiz.gov.pl.

Contact us to learn more about how your company can profit from the unique business potential of Poland.
