Location and road network

The Economic Activity Zone of Ujazd Commune encompasses the area of approximately 550 ha, of which 42.18 ha have been submitted to The Golden Site competition. Communication: the commune is located in the direct vicinity of:

- A4 motorway
- Zawadzkie-Strzelce Opolskie-Olszowa-Zalesie Śl.-
- Kędzierzyn-Koźle regional road No. 426

Railway stations: Strzelce Opolskie (8 km distance [1 km = 0.62 mile]) and Kędzierzyn-Koźle (20 km distance). Harbours: Kędzierzyn-Koźle (30 km distance) and Opole (46 km distance).

Airport: Katowice (75 km distance), Wrocław (125 km distance) and Kraków (140 km distance).

Economic structure

Taking into consideration the available resources and infrastructure, particularly A4 motorway with two junctions (Olszowa and Nogowczyce), the commune decided in 2000 to focus on business development in terms of its basic development direction. The local spatial development plan has been approved for the Economic Activity Zone.

Investment opportunities

The local spatial development plan designs the investment areas for industrial, service and manufacturing, storage, traffic handling as well as trade and gastronomy purposes.

The Resolution No. IX/43/2011 of 29 June 2011 regarding approval of the regional aid plan to stimulate new investments was passed by the Town's Council in Ujazd.

Human resources and education

The agglomeration of Strzelce Opolskie (30 thousand residents), Kędzierzyn-Koźle (60 thousand residents) and adjacent communes ensure human resources for new investments. There are technical high schools in Strzelce Opolskie and Kędzierzyn-Koźle and higher education institutions in Opole, Gliwice and Katowice.

Technological infrastructure

There is double track overhead high-voltage line

110 kV relationship Blachownia - Strzelce Opolskie running through the investment area. The site is equipped with roads, water, sewage, gas, electricity and telecommunication networks. Strzelce Opolskie-Kędzierzyn-Koźle railway is located within 3 km from the offered plot. There is a possibility do construct a siding.

Tourist attractions

A hilly terrain and natural beauty create a unique character and homely atmosphere. The landscape is picturesque and diversified; particularly the forest in Saint Annes's Mountain Natural Landscape Park along with its surroundings of total area of 990 ha is worth visiting. Numerous historic and cultural monuments as well as rest areas can be visited by a bicycle or by walking along 51 km long bicycle paths. Wooden temples in Olszowa, Klucz and Zimna Wódka deserve particular attention as well as the parish church in Ujazd, the 13th century castle ruins and the 18th century granary in Ujazd.
