real estate agency (sale, purchase, rental)

BIG CITY BROKER is one of the most dynamically developing real estate companies based in Lublin. What distinguishes us is high quality of the services we render and an individual approach to our Clients. BIG CITY BROKER is made up of experienced, committed Advisors for whom work is passion. What is particularly important is the fact that we assist our Clients from the first meeting until the moment when they receive keys to the property of their choice, or when they hand the keys over to a new owner. In our office Clients have the sense that they are well cared for and our Advisors make every effort to ensure our Client's satisfaction. BIG CITY BROKER provides comprehensive services; we are open to our Clients' needs, while our experience enables us to resolve even the most complex issues. That is the reason why our Clients so often return to us with new needs – which for us constitutes the best possible manner of recognition. We will aid you in handling all formalities and in co-operation with a notary. We will prepare a professional offer for your real estate that will receive a wide-ranging promotion, inter alia at internet portals, the press, banners and in a broad data base of Our Clients. You will save time – as we will be in charge of looking for potential buyers and presenting your real estate.

Regional Investor Assistance Centres (COI)

They are partners of the Polish Information and Foreign Investment Agency (PAIIZ) at the regional level. The Centres provide consultancy and information services for business entities considering investment projects in a particular area. COIs also provide dedicated service and investment guidance, including post-investment support within the voivodeship where the project is located. The network of COIs has been created in conjunction with the Marshals of Voivodeships who are statutorily responsible for economic promotion of the region.
