Introduction on InnoVEX

Feel inspired

Vision

COMPUTEX TAIPEI (also called COMPUTEX), one of world's leading ICT trade shows since 1981, launched brand new exhibit dedicated to startups in 2016.

InnoVEX is a “startup village” that combines major themes and disruptive technology. With a series of keynote forums, InnoVEX will make a splash in maximizing innovative, technological and investment exchanges.

Positioning

Building strategic partnerships & network
for global startups.
