Proposed Program and Speaker Invitees

*Please note that the speakers listed below have been invited, but not all of them are confirmed yet.
The program will be updated with new speakers and speaker-sponsors in the coming weeks.*

Thursday 31 January 2019

08:45 – 09:30 Registration of participants and welcome coffee

09:30 – 11:00 Session 1: **Moving ahead with the electricity market reform – what's in the plan for 2019**

- Developments in the Government policy, strategy and approach
- Achieving the energy independency – realizing the major force behind Ukraine's energy market developments
- Analyses of the changes in the energy markets in the last 12 months and the expected impact on future direction of policy
- Introducing global trends to the Ukraine energy market - distributed generation, energy storage, artificial intellect and blockchain technology
- Influence and effect of new adopted rules and codes on the country's energy market
- Securing a better deal for electricity consumers through a competitive wholesale and retail electricity market
- Addressing the key challenge - unbundling the production from transmission and distribution of electricity
- Initiating dialogue and effective system of relations between market participants and actors
- Creating a truly competitive distribution sector through proper transparency and accountability of the regional distribution companies
- Q&A

Nataliya BOYKO, Deputy Minister for European Integration,
Ministry of Energy and Coal Industry, Ukraine

Yurii GNATIUK, Director, Energorynok, Ukraine

Janez KOPAC, Director,
Energy Community Secretariat, Ukraine

Yulia KOVALIV, Head of Office,
National Investment Council under the President of Ukraine

Johannes BAUR, Head of Operations Section 3 "Development
related to infrastructure, energy, transport, and environment,"
Delegation of the European Union, Ukraine

Oksana KRYVENKO, General Director,
National Energy and Utilities Regulatory Commission of Ukraine

SPEAKING SLOT RESERVED FOR SPONSOR/PARTNER

Vsevolod KOVALCHUK, Chief Executive Officer,
Ukrenergo, Ukraine

11:00 – 11:30 **Coffee break and networking**

11:30 – 13:00 Session 2: **Current energy mix and deployed renewable capacities**

- Moving forward with the national targets for renewable generations and energy efficiency
- Promoting the transfer of knowledge and technology
- A milestone year for the Ukraine wind energy capacity installed
- Can solar energy be the solution for Ukraine's nuclear wastelands?
- Advantages of Chernobyl Zone and prospects of turning it into one of Europe's largest solar parks
- Required incentives to turn and keep biomass / biogas projects in profit
- Regulatory and market measures needed to enable integration of renewable capacities into the grid
- Further support and volume of funding for energy efficiency programs on national and regional level
- Q&A

Ukrainian Association of Renewable Energy (UARE), Ukraine

Georgii GELETUKHA, Chairman of Board,
Bioenergy Association of Ukraine

Sergiy SAVCHUK, Head of State Agency for Energy Efficiency
& Saving of Ukraine, Member of Parliament, Ukraine

Oksana REMINSKA, President,
Energy Efficiency and Energy Saving Association, Ukraine

RENPOWER UKRAINE 2019 - The 2nd Renewable Energy & Power Infrastructure Investor Conference

Andriy KONECHENKOV, Chairman,
Ukraine Wind Energy Association, Ukraine

Yulia USENKO, Co-founder & Chairman,
All-Ukrainian Sustainable Development and Investments Agency, Ukraine

Volodymyr OMELCHENKO, Director, Razumkov Centre, Ukraine

SPEAKING SLOT RESERVED FOR SPONSOR/PARTNER

13:00 – 14:00 Buffet luncheon

14:00 – 15:30 Session 3: Next steps on the electricity market legislative transformation

- Economy and legislative motivations for the development of energy efficiency market
- Latest regulatory amendments aimed at encouraging production from renewable sources
- Special focus on wind energy in the new regulatory updates - easing up on requirements for wind power projects
- Putting in place a solid electricity market framework, based on competitive forces
- Factors securing successful competition in the development of renewable energies
- Competitive pricing mechanisms for electricity from renewable energy sources
- Adoption of new methodology for calculation of grid connection costs
- Q&A

On 20 December 2018 the Ukrainian Parliament approved in the first legislative reading the Draft Law on Introduction of Certain Changes to Laws of Ukraine regarding Ensuring Competitive Conditions for Generation of Electricity from Alternative Energy Sources.

The panelist will moderate a discussion based on the available text of the draft law on auctions for renewables and other changes for support of renewable in Ukraine.

Delegates and participants of the summit will be invited to join with prepared questions and comments.

Maksym SYSOIEV, Counsel, Dentons, Ukraine

Oleksandr MYKHAYLOVSKY, Deputy Head of the Department of Alternative and Renewable Electricity, National Energy and Utilities Regulatory Commission of Ukraine

Volodymyr YEVDOKIMOV, Head of Project Office of Energy Market Reform Implementation, Advisor to the Vice Prime Minister of Ukraine, Vice Prime Minister Office, Ukraine

Oleksandr DOMBROVSKY, First Deputy Head Energy Committee, Verhovna Rada, Ukraine

Oleksandra GUMENIUK, Director,
European-Ukrainian Energy Agency

SPEAKING SLOT RESERVED FOR SPONSOR/PARTNER

Oleksii DUBOVSKLYI, Chairman of the Exchange Committee,
Ukrainian Energy Exchange, Ukraine

15:30 – 16:00 Coffee break and networking

16:00 – 17:30 Session 4: Financing of and investing in renewable energies

- Amendments to the Power Purchase Agreement Template to boost investment in renewable energies
- Eliminating administrative barriers for projects from initiation to maturity
- Mitigating risk to attract large scale investments and unlock project finance
- Establishment of facilities to support structured finance mechanisms
- How can the transition from the “green” tariff model to the auctioning affect the development of the industry?
- Power Purchase Agreements (PPA) concluded on auction terms
- Opportunities for commercial banks in “green banking”
- Implementing tailor-made financing mechanisms based on best global practices
- Adding volume and intensity to state and privately supported lending programs for energy efficiency
- Q&A

Marina PETROV, Deputy Head of Ukraine, Head of Energy and Infrastructure, European Bank for Reconstruction and Development (EBRD), Ukraine

George CRISTODORESKU, Director of energy efficiency sector, Gesellschaft für Internationale Zusammenarbeit (GIZ), Ukraine

RENPOWER UKRAINE 2019 - The 2nd Renewable Energy & Power Infrastructure Investor Conference

Mikhail PAVLICHENKO, Head of the regional network of the project "Energy efficiency in the housing sector of Ukraine", International Finance Corporation (IFC), Ukraine

Satu KAHKONEN, Country Director, World Bank, Ukraine

Jean-Erik DE ZAGON, Head of the European Investment Bank (EIB) Representation in Ukraine

Paata JANELIDZE, Energy and Environment Portfolio Manager, United Nations Development Programme (UNDP), Ukraine

SPEAKING SLOT RESERVED FOR SPONSOR/PARTNER

17:30

End of Conference
